Medicaid/DC Healthy Families

What is Medicaid/DC Healthy Families?

Medicaid and DC Healthy Families provide health insurance to people who live in DC and have low income. The programs pay for doctor and hospital visits, dental and eye care, home health care, prescription drugs, and other services. **If you get Supplemental Security Income (SSI)**, you get Medicaid. If you do not get SSI, you must have **low income** to qualify. **Starting in January 2027**, there are new work requirements for some adults 64 or younger. Exemptions are available.

*Note: This information is about **Medicaid**, not Medicare or Healthy DC. Medicare is for people who are 65 or older, have disabilities, or have End Stage Renal Disease or ALS. Healthy DC is for people who do not qualify for Medicaid but still have limited income.*

***The Qualified Medicare Beneficiary (QMB) Program helps pay for costs not covered by Medicare, like premiums and deductibles.*

Can I apply if I don't speak English well?

Yes. The law says the government has to help you in your language. Just tell the agency what language you'd like to use.

I'm not a U.S. citizen. Can I get Medicaid/DC Healthy Families?

You may be able to get Medicaid if you're not a U.S. citizen. Even if you can't, you can still apply for your children or other household members. You only have to write the immigration status of the people you're applying for. The government can't ask for more information. If you can't get Medicaid because of your immigration status, you may be eligible for insurance through the **DC Healthcare Alliance** or **Healthy DC**.

I didn't get Medicaid or my services got cut off

You have the right to appeal. You need to appeal within 90 days of the notice that your Medicaid was denied, cut off, or reduced. There are three steps to appeal.

1. Get the **appeal form** online at <https://oah.dc.gov/publication/request-hearing-public-benefits-case>

2. **Fill out** the appeal form

3. **File** the form in one of these ways *(always keep a copy of the form for yourself when you file):*

a. **Email** it to oah.filing@dc.gov

b. **Bring it in person** to the Office of Administrative Hearings at 441 Fourth St. NW, Suite 450N

c. **Mail** to the Office of Administrative Hearings at the address above *(This option isn't recommended)*

What if my plan won't cover a service or doctor I need?

Once you get Medicaid, you have rights. If you can't get a service or see a doctor, file a "grievance" with your Managed Care Organization (MCO). A grievance is a formal way to complain about an issue with your MCO. If the grievance is denied, you can appeal the denial through a "fair hearing" at the Office of Administrative Hearings (see the info above).
