

I didn't get all my stimulus money! What can I do?

Can I still get this money?

Yes (in most cases), as long as **all** three of these things are true:

1. You:
 - Are a **single person** who earns less than \$75,000 per year;
 - File taxes as “**head of household**” and earn less than \$112,500; **or**
 - File taxes as a **married couple** that earns less than \$150,000.
2. You have a **Social Security Number**.
3. No one else claimed you as a **dependent** on their return.

How much money could I get?

- 1st round: \$1,200 per adult + \$500 for each child dependent
- 2nd round: \$600 per adult + \$600 for each child dependent
- 3rd round: \$1,400 per adult + \$1,400 for any dependent (adult or child)
